DEBTORS' MOTION FOR ENTRY OF AN ORDER AUTHORIZING AND DIRECTING ASSUMPTION OF THE RESTRUCTURING SUPPORT AGREEMENT TERM SHEET

Agera Energy LLC and the above-captioned debtors, as debtors and debtors in possession in these chapter 11 cases (these "Chapter 11 Cases"), hereby submit this motion (the "Motion") for entry of an order (the "Order") pursuant to sections 105(a), 363(b), 363(c) and 365(a) of Title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the "Bankruptcy Code"), and Rules 2002, 6004 and 6006(d) of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), substantially in the form attached hereto as **Exhibit A**, authorizing and directing the Debtors to assume the binding Restructuring Support Agreement term sheet, dated October 3, 2019 (the

"RSA Term Sheet"), between (a) BP Energy Company ("BP"), (b) Agera Energy, LLC, (c)
Aequitas Energy Inc., (d) energy.me midwest llc d/b/a energy.me (collectively, the "Agera Opco Entities"), (e) Agera Holdings, LLC ("Agera Holdco"), (f) Briarcliff Property Group, LLC ("Briarcliff"), (g) Utility Recovery LLC ("Utility Recovery"), and (h) Agera Solutions LLC (together with the Agera Opco Entities, Utility Recovery, and Agera Holdco, the "Agera Parties" and, together with BP and Briarcliff, the "RSA Parties"). A copy of the RSA Term Sheet is attached as Exhibit 1 to the Proposed Order. In support of this Motion, the Debtors rely upon the Declaration of Todd Sandford Pursuant to Rule 1007-2 of the Local Bankruptcy Rules for the Southern District of New York in Support of the Debtors' Chapter 11 Petitions and First Day Pleadings (the "First Day Declaration"). In further support of this Motion, the Debtors respectfully state as follows:

JURISDICTION AND VENUE

- 1. The United States Bankruptcy Court for the Southern District of New York (the "Court") has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the Amended Standing Order of Reference from the United States District Court for the Southern District of New York, dated January 31, 2012. This is a core proceeding pursuant to 28 U.S.C. § 157(b).
 - 2. Venue is proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409.
- 3. The statutory bases for the relief requested herein are Bankruptcy Code sections 105(a), 363(b), 363(c) and 365(a), and Bankruptcy Rules 2002, 6004 and 6006(d).

² Capitalized terms used but not defined herein have the meanings ascribed to such terms in the RSA Term Sheet or the First Day Declaration, as applicable.

BACKGROUND

- 4. On the date hereof (the "<u>Petition Date</u>"), the Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code.
- 5. The Debtors continue to operate their businesses and manage their properties as debtors in possession pursuant to Bankruptcy Code sections 1107(a) and 1108.
- 6. No trustee, examiner, creditors' committee, or other official committee has been appointed in these Chapter 11 Cases.
- 7. The factual background regarding the Debtors, including a description of the Debtors' business, capital structure, and the circumstances leading to these Chapter 11 Cases, is set forth in the First Day Declaration, which is incorporated herein by reference.

THE RESTRUCTURING SUPPORT AGREEMENT

- 8. Prior to the Petition Date, the RSA Parties negotiated the RSA Term Sheet, which provides for, among other things, (i) the sale, pursuant to Bankruptcy Code section 363 (the "Sale") of certain of the Debtors' assets (the "Assets"), pursuant to a Stalking Horse APA, followed by a chapter 11 plan of liquidation (the "Plan"); (ii) the distribution of the net proceeds realized from the Sale as provided by the RSA; (iii) the liquidation and distribution of proceeds from the claims, causes of action, and avoidance actions through a litigation trust (the "Litigation Trust"); and (iv) the funding of such wind-down efforts ((i) through (iv), collectively, the "Restructuring").
- 9. Under the RSA Term Sheet, BP and the Agera Parties agreed to support and take all reasonable actions necessary to facilitate the implementation and consummation of the Restructuring in accordance with the terms of the RSA Term Sheet in a timely manner. Through

this Motion, the Debtors seek authorization and direction to assume the RSA Term Sheet, but not approval of the underlying transactions contemplated by the Restructuring.

- 10. The Debtors believe that the Restructuring represents the best and most value-maximizing path for the Debtors, their estates, and all stakeholders. The RSA Term Sheet ensures key stakeholder support for the Restructuring, which permits the Debtors to sell their Assets while the Debtors' businesses continue uninterrupted.
- 11. The Debtors believe that assumption of the RSA Term Sheet will provide important structure and stability to these Chapter 11 Cases and a framework for the confirmation and consummation of the Liquidating Plan. Pursuing the Restructuring contemplated in the RSA Term Sheet allows the Debtors to avoid any negative consequences that would result from a "free fall" into bankruptcy and allows the Debtors to accomplish the Sale in an expeditious manner in order to preserve value for all of the Debtors' stakeholders.
- 12. The RSA Term Sheet is the product of good faith and arm's-length negotiations between the RSA Parties. Further, notwithstanding assumption of the RSA Term Sheet, confirmation and consummation of the Liquidating Plan and approval of the Sale, will remain subject to all requirements of law, including satisfaction of all the requirements set forth in Bankruptcy Code sections 363 and 1129, as applicable.
- 13. The Debtors believe that the Restructuring contemplated by the RSA Term Sheet provides the Debtors with the best opportunity to maximize value in these Chapter 11 Cases. Further, the obligations of the Debtors in the RSA Term Sheet are subject to a fiduciary out (described in more detail below), thus preserving the Debtors' flexibility to pursue an alternative value-maximizing transaction, should one arise.

Obligations of BP

- 14. The RSA Term Sheet contains an agreement by BP to take various actions, subject to the terms of the RSA Term Sheet and the limitations set forth therein, including the following principal obligations:
 - a. allow the Agera Parties to use Cash Collateral, subject to the Approved Budget and the Permitted Variance during the Support Period;
 - b. supply the Agera Parties with natural gas and electricity on credit pursuant to the DIP Financing;
 - c. subject to the Approved Budget and the Permitted Variance, and so long as such payments are approved by the Court upon notice and hearing (if required), BP shall authorize the Agera Opco Entities to disburse (i) \$700,000.00 to fund the Key Employee Incentive Plan (the "KEIP") and (ii) \$1,149,902.00 to fund a Key Employee Retention Plan ("KERP"). The KEIP shall be subject to the terms negotiated between BP and the Agera Parties.;
 - d. support and not object to entry of the orders proposed in the Agera Parties' first-day motions (which orders shall be acceptable to BP);
 - e. support and not object to entry of the orders proposed for the approval of the retentions of the Agera Parties' professionals (which orders shall be acceptable to BP);
 - f. in good faith, negotiate the Definitive Documents, which shall be in form and substance consistent in all respects with this Term Sheet;
 - g. consent to those actions contemplated by this Term Sheet or otherwise required to be taken to effectuate the Restructuring, including entering into all documents and agreements necessary to consummate the Restructuring; and
 - h. support entry of orders approving the disclosure statement and confirming the Plan.

Obligations of the Agera Parties

15. In exchange for the DIP Financing and the use of Cash Collateral, the Agera Parties to take (or refrain from taking) various actions, subject to the terms of the RSA Term Sheet and the limitations set forth therein, including the following principal obligations:

- a. ratify and reaffirm the aggregate all amount owed to BP and ratify and acknowledge BP's first priority security interest the Collateral;
- b. grant BP (a) replacement liens on the Collateral, (b) perfected superpriority liens on all other unencumbered assets, and (c) junior liens on all encumbered assets subject to senior, valid, perfected and non-avoidable liens;
- c. grant BP a superpriority administrative claim, which shall be senior in priority and payment to all other obligations with respect to any diminution in value of the Collateral;
- d. upon execution hereof and consistent with the Negative Covenants, transfer all funds currently held in the bank account ending in 8804 at FNBCT (as defined below) to an existing Deposit Account or Collateral Account;
- e. subject to the Approved Budget and the Permitted Variance, make the following payments in cash in the following amounts:
 - payment of invoices relating to postpetition supply or hedges of natural gas and power (whether physically- or financially-settled) under the DIP Financing (including all interest relating thereto), in the amounts set forth in the invoices and otherwise in accordance with the terms of the Amended ISDA; and
 - ii. payment of adequate protection on all prepetition obligations of the Agera Opco Entities under the PSA and ISDA, whether in respect of power, gas or otherwise, on a bi-weekly basis, beginning on October 18, 2019, in an amount equal to the amount of funds remaining in the Collateral Accounts and Deposit Accounts after giving effect to payments required to be made under clause (a) above that exceeds \$10,000,000 until December 1, 2019, \$8,000,000 until January 1, 2020, \$6,000,000 until February 1, 2020, and \$3,000,000 throughout the remainder of the Support Period (collectively, the "Excess Amount Thresholds") (which payments shall be applied first to payment of the invoices relating to postpetition power supply under the DIP Facility, second to the payment of accrued interest on (A) the prepetition obligations of the Agera Opco Entity under the PSA and ISDA and (B) any other Transaction Document, at the applicable rate under the applicable Transaction Document, and third to the payment of the remaining prepetition obligations of the Agera Opco Entities under the PSA, ISDA and any other Transaction Document). The Excess Amount Thresholds may be revised from time to time, subject to agreement by BP and the Agera Parties, each in their sole discretion in accordance herewith. For the avoidance of doubt, the Excess Amount Thresholds shall not be less than the projected Carve-Out (as defined in the RSA Term Sheet) levels at any time.

- f. make payments in cash of all reasonable, documented professional fees and expenses of BP (the "BP Professional Fees");
- g. provide a customary and full release and waiver of any and all claims or causes of action that could be provided under law or in equity against BP or its affiliates;
- h. (i) on or before the Petition Date, provide to the applicable ISO executed copies of all documentation and take all other actions (including the posting of required credit support) required to transfer BP's obligations as the FRP in each of ERCOT, NYISO, ISO-NE, and MISO in respect of the Agera Parties' load to the Agera Parties, (ii) use commercial best efforts to provide to PJM as soon as practicable after request from PJM or BP executed copies of all documentation and take all other actions that PJM requires to transfer BP's obligations as an FRP in respect of the Agera Parties' load to the Agera Parties, and (iii) on or before the Petition Date, provide to BP or the applicable ISO executed copies of all documentation requested by BP in connection with the maintenance by BP of any scheduling or other functions (including payment of ISO invoices on the applicable Agera Parties' behalf in BP's capacity as agent of the applicable Agera Parties) in respect of any of the Agera Parties' load in any of ERCOT, NYISO, ISO-NE, PJM, MISO or CAISO;
- i. use commercially reasonable efforts to sell all remaining renewable energy credit inventory held by any Agera Party
- j. as promptly as practicable, initiate the sale of the Mortgaged Property (as defined below) and all other assets of the Agera Parties not contemplated to be sold pursuant to the In-Court Sale, including natural gas inventory and natural gas storage capacity; and
- k. provide copies to BP of all notices of non-compliance and other notices received by any Agera Party relating to the failure of any Agera Party to comply with any State renewable portfolio standards requirements.
- 1. within thirty days after the Effective Date, Briarcliff shall grant BP a mortgage on the real property located at 555 Pleasantville Road, Briarcliff Manor, NY 10510 (such property, the "Mortgaged Property"), subordinate only to the existing mortgages in favor of the First National Bank of Central Texas ("FNBCT"), subject to FNBCT's consent.

BP's Termination Events

16. Upon three (3) business days' written notice to the RSA Parties, during which time the Agera Parties may cure any BP Termination Event (as defined below), BP may

terminate this Term Sheet after the occurrence, and during the continuation of, any of the following events (each, a "BP Termination Event"):

- a. the Agera Parties fail to comply with an Approved Budget (including an Approved Budget as may be approved by the Bankruptcy Court after a hearing), subject to the Permitted Variance;
- b. the Agera Parties fail to comply with, satisfy, or achieve any of the Milestones (as defined below);
- c. the Agera Parties fail to provide BP with reasonable access to the Agera Parties' books, records, and management through the Plan Effective Date;
- d. the Agera Parties file any pleading seeking authority to use cash collateral or to secure postpetition financing from any party other than BP, including financing that provides for super-priority claims or priming liens on any collateral of BP, in each case without BP's consent in writing in its sole and absolute discretion;
- e. the Bankruptcy Court's confirmation of a competing plan or approval of any transaction for the sale or disposition of any of the Agera Parties' material assets that is inconsistent with the terms of the Restructuring;
- f. the Agera Parties' material breach of any of their respective obligations in this Term Sheet, including covenants, representations, or warranties in this Term Sheet (it being acknowledged and agreed, without limiting any of the foregoing, that a breach by any Agera Party of any negative covenant set forth in this Term Sheet or a breach by any Agera Party of any of its obligations set forth in clauses (i) through (v) of the Affirmative Covenants section of this Term Sheet shall constitute a material breach for purposes of this BP Termination Event);
- g. the Agera Parties' failure to comply with any material provision of any order entered by the Bankruptcy Court or an event of default exists under any order entered by the Bankruptcy Court;
- h. the occurrence and continuance of an Event of Default or Termination Event under the Amended ISDA (each as defined in the Amended ISDA);
- i. any of the Definitive Documents filed in the Chapter 11 Cases contains terms and conditions materially inconsistent with this Term Sheet;
- j. conversion of the Chapter 11 Cases to cases under chapter 7 of the Bankruptcy Code, appointment of a chapter 11 trustee, a responsible officer or an examiner with enlarged powers (beyond those set forth in Section 1106(a)(3) and (4) of the Bankruptcy Code) relating to the operation of any of the Agera Parties, or dismissal of the Chapter 11 Cases;

- k. the Bankruptcy Court grants relief that is materially inconsistent with this Term Sheet or would reasonably be expected to materially frustrate the purpose of this Term Sheet;
- 1. the Agera Parties file for approval of or otherwise support any plan, sale, or other transaction that is inconsistent with the Plan or the Restructuring;
- m. the Chapter 11 Cases or any other case by or against any Agera Party, whether voluntary or involuntary, under chapter 11 or chapter 7 of the Bankruptcy Code, are commenced prior to execution of the Stalking Horse APA;
- n. the allowance of administrative expense claims and priority claims against the Agera Parties that, in the aggregate, exceed all accruals and disbursements contemplated under the Approved Budget by \$1,000,000 or more;

- q. any Agera Party requests electricity or natural gas supply from BP after the Supply Termination Date;
- r. the Agera Opco Entities fail to comply with the Wind-Down Plan;
- s. as of any Weekly Reporting Date (i) the Net AP Value (as defined in the RSA Term Sheet) is higher than the Maximum Amount (as defined in the RSA Term Sheet), and (ii) within three (3) Business Days after such Reporting Date (as defined in the RSA Term Sheet), BP and the Agera Parties have not agreed, each in its sole discretion, on acceptable changes in the Approved Budget and the Maximum Amount to cure such shortfall; and
- t. the Agera Parties have failed to comply with their obligation to provide an AR Report and appropriate supporting information as of any Reporting Date.

The Agera Parties' Termination Events

17. - a. BP's material breach of any of its Post-Petition Sales obligations or its obligations set forth in clauses (i) through (v) of the Affirmative Covenants section of this Term Sheet; and

18. The RSA Term Sheet may be terminated by mutual written agreement among the RSA Parties.

The RSA Term Sheet also contemplates a trust known as the "Agera Litigation Trust" will be established pursuant to the Court's order confirming the Plan. The Agera Litigation Trust shall be managed by a trustee (the "<u>Litigation Trustee</u>") to be selected by BP.

RELIEF REQUESTED

20. By this Motion, the Debtors request that the Court enter an order, in substantially the form of the Proposed Order, authorizing the Debtors to assume the RSA Term Sheet and perform all obligations thereunder.

BASIS FOR REQUESTED RELIEF

- A. Assumption of the RSA Term Sheet Constitutes a Sound Exercise of the Debtors'
 Business Judgment and Should be Approved
- 21. Bankruptcy Code section 365(a) provides that a debtor in possession, "subject to the court's approval, may assume or reject an executory contract or unexpired lease of the debtor." 11 U.S.C. § 365(a). Courts reviewing a debtor's decision to assume or reject an executory contract or unexpired lease apply a business judgment standard. *See In re Orion Pictures Corp.*, 4 F.3d 1095, 1099 (2d Cir. 1993); *In re Old Carco LLC*, 406 B.R. 180, 188 (Bankr. S.D.N.Y. 2009) ("The business judgment standard is employed by courts in determining whether to permit a debtor to assume or reject a contract."); *see also NLRB v. Bildisco & Bildisco (In re Bildisco)*, 682 F.2d 72, 79 (3d Cir. 1982) ("The usual test for rejection of an executory contract is simply whether rejection would benefit the estate, the 'business judgment' test.") (citation omitted), *aff'd*, 465 U.S. 513 (1984).
- distinct from a decision made arbitrarily or capriciously), courts will generally not entertain objections to the debtor's conduct." Comm. of Asbestos-Related Litigants and/or Creditors v. Johns-Manville Corp. (In re Johns-Manville Corp.), 60 B.R. 612, 616 (Bankr. S.D.N.Y. 1986). Accordingly, so long as a debtor exercises "reasonable" business judgment, a court should approve the proposed assumption or rejection. See, e.g., NLRB v. Bildisco & Bildisco, 465 U.S. 513, 523 (1984); Group of Inst. Investors v. Chicago, Milwaukee, St. Paul & Pac. R.R. Co., 318 U.S. 523, 550 (1943); In re Bicoastal Corp., 164 B.R. 1009, 1016 (Bankr. M.D. Fla. 1993) ("This Court has broad discretion to approve a settlement or compromise, and it should do so unless the proposed settlement falls below the lowest point in the range of reasonableness.").

- 23. The Debtors' decision to assume the RSA Term Sheet is an exercise of their sound and reasonable business judgment after consultation with their legal and financial advisors. Assumption of the RSA Term Sheet will enable, not prohibit, the Debtors' fulfillment of their fiduciary obligations to maximize the value of their estates. The agreement set forth in the RSA Term Sheet positions the Debtors to maximize the value of the Debtors' estates for the benefit of the Debtors' stakeholders. By assuming the RSA Term Sheet, the Debtors will ensure that it is enforceable against BP, thus securing the benefit of the bargain the Debtors negotiated before the commencement of these Chapter 11 Cases. The RSA Term Sheet is the product of extensive, arm's-length and hard-fought negotiations among the RSA Parties, each of whom had separate, sophisticated legal counsel and financial advisors.
- 24. Importantly, the Debtors also negotiated and obtained the "fiduciary out," and the ability to respond to unsolicited proposals of any better alternative transaction, thereby preserving third parties' rights to propose alternative restructurings, to the ultimate benefit of the Debtors' creditors and estates.
- 25. Without the support of BP, the Debtors would likely have been forced to file these Chapter 11 Cases as a "free fall" bankruptcy, resulting in additional costs, complications, and potentially significant delays, each of which would have reduced stakeholder recoveries under any restructuring plan. By securing BP's support for the Restructuring contemplated by the RSA Term Sheet, the Debtors likely will avoid these potential complications because the RSA Term Sheet contemplates consummation of the Plan during an expedited chapter 11 process.
- 26. Based on the foregoing, the Debtors respectfully submit that they have exercised sound business judgment in deciding to assume the RSA Term Sheet. Accordingly, the Debtors request that the Court authorize the Debtors to assume the RSA Term Sheet.

WAIVER OF BANKRUPTCY RULES 6004(a) AND 6004(h)

27. To implement the foregoing successfully, the Debtors request that the Court enter an order providing that notice of the relief requested herein satisfies Bankruptcy Rule 6004(a) and that the Debtors have established cause to exclude such relief from the 14-day stay period under Bankruptcy Rule 6004(h).

RESERVATION OF RIGHTS

28. Nothing contained herein is intended nor should be construed as an admission of the validity of any claim against the Debtors, a waiver of the Debtors' or any other party's rights to dispute any claim, or an approval or assumption of any agreement, contract, or lease under Bankruptcy Code section 365. If this Court grants the relief sought herein, any payment made pursuant to this Court's order is not intended and should not be construed as an admission of the validity of any claim or a waiver of the Debtors' or any other party's rights to dispute such claim subsequently.

MOTION PRACTICE

29. This Motion includes citations to the applicable rules and statutory authorities upon which the relief requested herein is predicated and a discussion of its application to this Motion. Accordingly, the Debtors submit that this Motion satisfies Local Rule 9013-1(a).

NOTICE

30. The Debtors will provide notice of this Motion to: (a) the United States Trustee; (b) the holders of the 30 largest unsecured claims against the Debtors (on a consolidated basis); (c) counsel to BP; (d) counsel to Exelon Generation Company, LLC; (e) the Internal Revenue Service; (f) the United States Attorney for the Southern District of New York; and (g) any party

that has requested notice pursuant to Bankruptcy Rule 2002. The Debtors submit that, under the circumstances, no other or further notice is required.

NO PRIOR REQUEST

31. No prior motion for the relief requested herein has been made to this or any other court.

WHEREFORE, the Debtors respectfully request entry of an order, substantially in the form attached hereto as **Exhibit A**, authorizing and directing the Debtors to assume the RSA Term Sheet and granting such other and further relief as the Court deems appropriate.

During the Support Period (as defined below), the RSA Parties shall take all necessary or appropriate actions reasonably required to more fully memorialize the transactions and arrangements effectuated hereby, including entering into the Definitive Documents (as defined below).

THIS TERM SHEET DOES NOT CONSTITUTE AN OFFER OF SECURITIES OR A SOLICITATION OF THE ACCEPTANCE OR REJECTION OF A CHAPTER 11 PLAN FOR PURPOSES OF SECTIONS 1125 AND 1126 OF TITLE 11 OF THE UNITED STATES CODE (THE "BANKRUPTCY CODE"). ANY SUCH OFFER OR SOLICITATION WILL COMPLY WITH ALL APPLICABLE SECURITIES LAWS AND/OR PROVISIONS OF THE BANKRUPTCY CODE.

THIS TERM SHEET IS SUBJECT TO ALL EXISTING CONFIDENTIALITY AGREEMENTS.

I. Term Sheet

Overview of the Restructuring

This Term Sheet contemplates the Restructuring (as defined below) of the Agera Parties. The Restructuring will be consummated through the commencement of cases of the Agera Parties (the "Chapter 11 Cases") under chapter 11 of the Bankruptcy Code in the United States Bankruptcy Court for the Southern District of New York (White Plains) (the "Bankruptcy Court") and a sale (the "In-Court Sale") of certain of the Agera Parties' assets pursuant to Bankruptcy Code sections 105(a), 363(b), (f), (k) and (m), and 365, followed by a chapter 11 plan of liquidation (the "Plan") to be confirmed by the Bankruptcy Court. The Plan will provide for (i) distribution of the net proceeds realized from the In-Court Sale as provided herein, and (ii)(x) through the Agera Litigation Trust (as defined below), the liquidation and distribution of proceeds from the claims, causes of action and avoidance actions (other than those expressly released as set forth herein and in the Definitive Documents) and other assets included therein, net of any costs of liquidation or distribution (the "Remaining Assets"), and (y) the funding of such wind-down efforts (collectively, the "Restructuring").

Use of Cash Collateral

During the Support Period (as defined below), the Agera Parties may use cash collateral (the "Cash Collateral") that is currently in or that in the future will be deposited into the Deposit Accounts and Collateral Accounts (as applicable), subject to the budget attached hereto as <u>Exhibit A</u> (the "Approved Budget") and the Permitted Variance (as defined below).

The Agera Opco Entities shall deliver variance reports to BP on a weekly basis (to be reported by Thursday at 12:00 p.m. (EST)) beginning on the first Thursday after the date hereof in a form satisfactory to BP, comparing: (x) total receipts for all prior weeks to total receipts for such periods as set forth in the Approved Budget, on a cumulative and on a line-by-line basis; and (y) total disbursements for all prior weeks to total disbursements for such periods as set forth in the Approved Budget, on a cumulative basis and on a line-by-line basis, together with a summary of the Permitted Variance for such periods and explaining in reasonable detail all material variances (each such report, a "Budget Variance Report").

Every five weeks (beginning with the fifth full week after the Effective Date, on the fourth business day of such week, the Agera Parties shall deliver to BP and its advisors a new 13-week cash flow forecast setting forth all projected cash receipts and cash disbursements on a weekly basis, which such new 13-week cash flow must be acceptable to BP and, upon such written approval (which may be obtained via electronic mail), such new 13-week cash flow shall become the new "Approved Budget."

Failure of BP and the Agera Parties to agree to an updated Approved Budget within three (3) business days after the Agera Parties' delivery of the updated Budget shall constitute an event of default with respect to the Agera Parties under the interim and final orders authorizing the use of Cash Collateral (the "Cash Collateral Orders") that shall terminate the right of the Agera Parties to use Cash Collateral and, following the expiration of a five (5) business day

notice period, shall permit BP to exercise its rights and remedies in respect of the Cash Collateral, subject to the Carve-Out.

Actual cash disbursements made by the Agera Parties may not exceed the amounts set forth in the Approved Budget by more than (x) ten percent (10%) on an aggregate cumulative basis or (y)(1) fifteen percent (15%) for any single line item in any week that is a Non-SG&A Line Item (as defined below) or (2) ten percent (10%) for any single line item in any week that is an SG&A Line Item (collectively, the "**Permitted Variance**").

The "Non-SG&A Line Items" means the following line items in the Approved Budget: "BP Energy/BP Gas/ISOs/3rd Party Gas/Ancillaries," "Sales Tax/SBOs/TDSP" and "RECs/Customer Refunds." The "SG&A Line Items" means the following line items in the Approved Budget: "Wages and Benefits," "Broker Commissions," "Retention Payments (KEIP and KERP)" (each as defined below), "Professional and US Trustee Fees" (excluding BP Professional Fees (as defined below)) and "Other SG&A."

Unused amounts set forth in the Approved Budget for any disbursement line item may be carried forward and used to fund such line item in any subsequent week.

The Agera Parties' and Briarcliff's Obligations

Negative Covenants

During the Support Period, no RSA Party shall take any action materially inconsistent with the Restructuring that is expressly contemplated by this Term Sheet and the Definitive Documents.

During the Support Period, no Agera Party shall take any action, or fail to take any action, that would result in (or that with the giving of notice or the passage of time, or both would result in) a BP Termination Event.

The Agera Parties shall not at any time permit the Net AP Value to be higher than the Maximum Amount.

The "Maximum Amount" means \$17,500,000 unless otherwise agreed to by BP and the Agera Parties, each in their sole discretion in accordance herewith. The Maximum Amount shall be tested on a weekly basis on Thursdays for prior day ending balances.

The "**Net AP Value**" means the amount, if any, by which (i) the AP Amount exceeds (ii) the AR Amount.

The "AR Amount" means, as of any date of determination, the aggregate value of all accounts receivable owed to the Agera Opco Entities by customers as of such date, plus all amounts that have accrued but have not yet become due as of such date (i.e. unbilled amounts) in respect of energy or gas delivered by the Agera Opco Entities to or procured by the Agera Opco Entities on behalf of a customer, in each case to the extent such receivable meets the following requirements: (i) such receivable is subject to no Liens other than Permitted Liens, (ii) such receivable excludes any portion related to gross receipts or sales taxes or any other amount that may be deducted by a utility before payment to an Agera Party, (iii) no more than 25% of such receivable is more than 60 days past due (for the avoidance of doubt, the preceding requirement shall not apply to any such receivables under a purchase of receivables or consolidated billing program of the applicable utility or local distribution company in which the Agera Opco Entities participate, solely to the extent that such Agera Opco Entity is not in breach of any of its obligations under such purchase of receivables or consolidated billing program (or any other agreement between any Agera Party and the applicable utility or local distribution company or tariff of the applicable utility or local distribution company) except for ipso facto breaches directly caused by the filing of the Chapter 11 Cases), (iv) such receivable does not have a payment date that is more than sixty 60 days after the date of invoice, (v) at the time of the sale giving rise to the receivable, the payor of such receivable was not in payment default for more than 60 days to any Agera Party, (vi) the payor of such receivable is not an Affiliate of any Agera Party, and (vii) such receivable accrued in the ordinary course of business by delivery of energy or gas by or on behalf of an Agera Party. The AR Amount also includes any cash in the Collateral Accounts or Deposit Accounts and cash posted to the ISOs, BPapproved cash posted to the ISOs, utilities, pipelines, sureties, and regulatory bodies after September 1, 2019.

The "AP Amount" means, as of any date of determination, all amounts owing to BP by any Agera Party as of such date (other than (x) the portion of the Close-out Amount under the ISDA relating to the marked-to-market value of the transactions that have been terminated under the ISDA, but including all amounts under the ISDA relating to power or gas delivered by BP to or procured by BP on behalf of any Agera Opco Entities that have not been paid by the Agera Opco Entities (whether the applicable transactions were physically- or financially-settled) and other amounts that were deferred under the ISDA or the PSA and that have not yet been paid, and (y) any credit support or reimbursement obligations in respect of credit support provided or caused to be provided by BP on any Agera Party's behalf) and all amounts that have accrued but have not yet become due as of such date in respect of energy or gas delivered by BP to or procured by BP on behalf of the Agera Opco Entities (whether the applicable transactions were physically- or financially-settled). BP will determine the AP Amount in accordance with its internal practices and policies.

No Agera Party will create a reserve account or accumulate or hold any cash outside of the Deposit Accounts or Collateral Accounts, other than deposit

accounts established for the sole purpose of making payments in respect of payroll, taxes or other ongoing expenses of the Agera Opco Entities' retail business (such accounts, the "**Operating Accounts**"). All revenues and other amounts received by any Agera Opco Entity must be deposited into the Collateral Accounts or Deposit Accounts within one (1) business day of receipt. No Agera Opco Entity shall transfer any funds from a Collateral Account or a Deposit Account to any Operating Account, or otherwise permit funds to be on deposit in any Operating Account, at any time in an amount that exceeds the amount required to fund liabilities of the Agera Opco Entities that are scheduled to become due and payable within the immediately following seven days in accordance with the Approved Budget, subject to the Permitted Variance, plus any un-cleared postpetition checks, plus \$200,000.

Upon three (3) business days' written notice to the RSA Parties, during which time the Agera Parties may cure any BP Termination Event (as defined below) that is susceptible to cure within such 3-business day period, BP may terminate this Term Sheet after the occurrence, and during the continuation of, any of the following events (each, a "BP Termination Event"):

- i. the Agera Parties fail to comply with an Approved Budget (including an Approved Budget as may be approved by the Bankruptcy Court after a hearing), subject to the Permitted Variance;
- ii. the Agera Parties fail to comply with, satisfy, or achieve any of the Milestones (as defined below);
- iii. the Agera Parties fail to provide BP with reasonable access to the Agera Parties' books, records, and management through the Plan Effective Date;

- v. the Bankruptcy Court's confirmation of a competing plan or approval of any transaction for the sale or disposition of any of the Agera Parties' material assets that is inconsistent with the terms of the Restructuring;
- vi. the Agera Parties' material breach of any of their respective obligations in this Term Sheet, including covenants, representations, or warranties in this Term Sheet (it being acknowledged and agreed, without limiting any of the foregoing, that a breach by any Agera Party of any negative covenant set forth in this Term Sheet or a breach by any Agera Party of any of its obligations set forth in clauses (i) through (v) of the Affirmative Covenants section of this Term Sheet shall constitute a material breach for purposes of this BP Termination Event);
- vii. the Agera Parties' failure to comply with any material provision of any order entered by the Bankruptcy Court or an event of default exists under any order entered by the Bankruptcy Court;

- viii. the occurrence and continuance of an Event of Default or Termination Event under the Amended ISDA (each as defined in the Amended ISDA);

- xiv. Briarcliff files a petition for relief under the Bankruptcy Code without BP's prior written consent;
- xv. the allowance of administrative expense claims and priority claims against the Agera Parties that, in the aggregate, exceed all accruals and disbursements contemplated under the Approved Budget by \$1,000,000 or more;
- xvi. the Stalking Horse APA has been terminated prior to the closing thereunder and neither the Stalking Horse APA nor any other asset purchase agreement constituting a higher and better offer than the Stalking Horse APA for the purchase of any of the Agera Parties' assets is in full force and effect;
- xvii. the Bankruptcy Court enters a final, non-appealable order denying confirmation of the Plan or declining to approve the disclosure statement;
- any Agera Party requests electricity or natural gas supply from BP after the Supply Termination Date;
- xix. the Agera Opco Entities fail to comply with the Wind-Down Plan;
- xx. as of any Weekly Reporting Date (i) the Net AP Value is higher than the Maximum Amount, and (ii) within three (3) business days after such Reporting Date, BP and the Agera Parties have not agreed, each

in its sole discretion, on acceptable changes in the Approved Budget and the Maximum Amount to cure such shortfall; and

xxi. the Agera Parties have failed to comply with their obligation to provide an AR Report and appropriate supporting information as of any Reporting Date.

Upon three (3) business days' written notice to the RSA Parties, during which time BP may cure any Agera Termination Event (as defined below) that is susceptible to cure within such 3-business day period, the Agera Parties may terminate this Term Sheet upon the occurrence, and during the continuation of, any of the following events (each, an "Agera Termination Event"):

- i. BP's material breach of any of its Post-Petition Sales obligations or its obligations set forth in clauses (i) through (v) of the Affirmative Covenants section of this Term Sheet; and
- the Agera Parties determine in good faith that continued performance under this Term Sheet would be inconsistent with the exercise of their fiduciary duties under applicable law; provided, however, that (i) the Agera Parties and their advisors may not, directly or indirectly, solicit, initiate, or knowingly encourage, or take any other action designed to facilitate, any inquiries or the making of any proposal that constitutes an alternative transaction that is materially inconsistent with this Term Sheet; (ii) prior to the Agera Parties terminating this Term Sheet to move forward with an alternative proposal, the Agera Parties shall provide BP with at least five (5) business days' written notice of the material terms and conditions of the proposed alternative proposal, during which time BP shall have a right of first refusal to match such alternative proposal; and (iii) the termination of this Term Sheet by any Agera Party to move forward with the alternative proposal shall constitute an event of default with respect to such applicable Agera Party under the Cash Collateral Orders that, following the expiration of a five (5) business day notice period, would terminate the right of the such applicable Agera Party to use or seek to use Cash Collateral and permit BP to exercise its rights and remedies in respect of the Cash Collateral.

This Term Sheet may be terminated by mutual written agreement among the RSA Parties.

Exhibit C

Wind-Down Plan

All timelines for Tasks set forth below that require preparation and submission of EDI drops and notices will be adjusted to the extent necessary so that EDI drops commence and notices to utilities, customers and PUCs are sent beginning Week 4 after the Oct. 21, 2019 hearing on rejection motions with as little delay as possible from the timelines stated below. The Parties agree to determine modifications described above in good faith taking into consideration applicable requirements, provided that in no event will the timelines stated below be adjusted by more than one week unless otherwise mutually agreed by the Parties.

AGERA WIND DOWN PLAN

This plan set forth below is designed to accomplish transfer of all customer accounts assigned under the APA and return of all other accounts to utilities on the timelines set forth below and no later than the Supply Termination Date (as defined in the RSA Term Sheet, to be no later than 120 days after APA Closing). This plan may be modified from time to time as required on mutual agreement of Agera and BP.

The applicable responsible parties will complete the following tasks on the timeline set forth below (1) to return to default utility service all accounts that are not purchased by the Buyer (Initial Return Accounts) under the Asset Purchase Agreement (APA), which returns may occur prior to filing of a Chapter 11 Bankruptcy Petition, and (2) to transfer all accounts corresponding to Assigned Contracts purchased by the Buyer under the APA (Transfer Accounts) following filing of a Chapter 11 Bankruptcy Petition. The timelines below prioritize EDI transaction timeframes and are designed to provide reasonable notice to the extent practicable, while complying with certain state and contractual notice requirements. The timelines below may not necessarily comply with all requirements that could apply. Returns of the Initial Return Accounts to default utility service may occur prior to filing of a Chapter 11 Bankruptcy Petition, in which event, all tasks will be completed as set forth below except that timing of the highlighted tasks and milestones will be adjusted to a later date relative to the Bankruptcy Filing Date. Capitalized terms not defined herein have the meaning given to such term in the RSA Term Sheet.

If Closing does not occur under the APA or any Transfer Accounts have not been transferred by termination or the Final Assignment Date under the APA, the Parties will establish further timelines and tasks to return to default service all remaining Transfer Accounts that have not been transferred to the Buyer (Failed Transfer Accounts), which will be similar to the tasks and timelines for returns of the Initial Return Accounts.

¹ Latest Supply Termination Date to be confirmed upon Closing under the APA.

Task Num ber	Date	<u>Task</u>	<u>Description</u>	Responsible Party	<u>Status</u>
1.	End of Week 1 ² (Oct. 4, 2019)	Bankruptcy Filing Date	-		
2.	Week 1-2	Determine Initial Return Accounts	Parties to discuss which accounts will be returned to default utility service immediately (Initial Return Accounts) and which accounts are Transfer Accounts and to finalize the list of Assigned Contracts to be filed with the Bidding Procedures. Parties to determine which non-Transfer Accounts will not be returned to default service immediately as Initial Return Accounts and will be returned in the first meter read date in the month of December (Secondary Return Accounts). [Note: To the extent there are Secondary Return Accounts in NH, NH notice and EDI Drop timelines for Initial Return Accounts may be shortened subject to discussion between the parties and counsel.]	BP, Agera, MWE, HB	
3.	Week 2	Motion to Reject Contracts	Agera ³ to file omnibus rejection motion to reject Initial Return Accounts and Secondary Return Accounts to request a hearing on morning of Oct. 15. Order would be effective for each customer contract upon the date that the customer's account is returned to default service at the utility.		
4.	Week 2	Filing of Assigned Contracts List	List of Assigned Contracts attached to the Stalking Horse APA filed with Bankruptcy Court within three days after Petition Date.		
5.	Week 2	Broker Contract Termination	Motions to reject broker contracts. Letters to brokers to be sent.

6.	Weeks 2-3	Utility Confirmatory Calls	Informal calls and/or emails to utilities on a best efforts basis to coordinate and provide an overview of the intended drop and transfer process and timelines for utilities and to confirm no other utility requirements beyond timely EDI transactions; provided that notwithstanding the above, Agera shall email or place a call during business hours (with at least two follow up calls if unable to reach) to an appropriate contact by the end of Week 2 at each Pennsylvania utility and by the end of Week 3 for each New Jersey utility, and further provided after communications to Pennsylvania utilities, Agera shall give appropriate consideration to comparatively larger load size and the timing of drops when allocating its best efforts resources. In calls with utilities, determine any manual drop requirements or volume limitations. Calls should prioritize communications in the following order: (1) Pennsylvania utilities in Week 2 and NJ power utilities in Week 3 to confirm process of returning customers to default service to the extent they will not be transferred; (2) gas utilities in states identified in EDI Drop Round 1 (Task No. 12); (3) other utilities receiving EDI drops of Initial Return Accounts in Week 3 under Task Nos. 19 and 20; and (4) other utilities. [Note: Calls should not identify potential buyer of Transfer Accounts.] Following initial confirmatory calls in this task, Agera to continue to coordinate in the following weeks with utilities as reasonably necessary to complete the drops and transfers of accounts and other tasks related to utilities that are described herein.	[Agera utilities liaison]	
7.	Week 2	Preparation of Form Utility, Customer, and PUC Notices	MWE/Agera to draft or revise (as applicable) form utility and customer notices to be discussed by the parties, except that HB will draft form notices to PUCs in states where such notices are to be provided. By Day 1 of Week 2, finalize the sample form of customer drop notice to be provided to NY PSC and NJ BPU. By Day 3 of Week 2, finalize the sample form customer drop notices for any other PUCs that request courtesy copies of such notices in informal communications under Task No. 9. Finalize all forms of notices by the end of Week 2.	BP, Agera, MWE, HB

8.	Week 2	Determine Notices of Abandonment	Parties to discuss and determine when advance notice of abandonment and cessation of services (CT, ME, NH, OH ⁴) will be provided to applicable PUCs. In particular, confirm whether cessation and abandonment notices will be incorporated with initial PUC notices under Step 9 or if cessation or abandonment notices should be provided after transfer process).	BP, Agera, MWE, HB	
9.	Week 2 (by Day 1 of Week 2 for NY PSC; Day 3 of Week 2 for NJ BPU and PAPUC, and otherwise by the end of Week 2)	PUC Informal Communication s and Courtesy Copies of Customer Drop Notices	Informal calls and/or emails to Agera's PUC contacts in all states explaining circumstances and expected timing in light of the inability to continue serving customers in the state and that Agera is working closely with utilities to ensure a smooth transition to utility service. [Note: Parties to discuss extent to which transfer will be discussed with PUCs.] By Day 1 of Week 2, provide sample customer notices of returns to utility service to NY PSC. By Day 3 of Week 2, provide sample customer notice to NJ BPU and PAPUC. By end of Week 2, provide sample notice to any PUCs that request courtesy copies of customer notices in the informal calls or emails as described above. MWE/Agera to confirm if any other PUCs have stated preferences to receive advance copies of customer notice for returns of utility service. If applicable, emails should notify PUC/BPU that the attached notice will be mailed to customers as soon as possible, and that Agera will be returning accounts to utility service in connection with its bankruptcy.
